Sección 1 Introducción

Este directorio proporciona una lista de proveedores de red Brand New Day. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (EOC).

Use este directorio para encontrar proveedores de la red Brand New Day para sus necesidades de atención. Los proveedores de la red son los médicos y otros profesionales de la salud, grupos médicos, hospitales y otros centros de atención médica que tienen un acuerdo con nosotros para aceptar nuestro pago y cualquier costo compartido del plan como pago completo. Hemos hecho arreglos para que estos proveedores brinden servicios cubiertos a los miembros de nuestro plan.

Tendrá que elegir uno de los proveedores de nuestra red que figuran en este directorio para que sea su Proveedor de atención primaria (PCP). En general, debe obtener sus servicios de atención médica de su PCP. Su PCP es un médico que cumple con los requisitos estatales y está capacitado para brindarle atención médica básica. Su PCP le proporcionará la mayor parte de su atención y le ayudará a organizar o coordinar el resto de los servicios cubiertos que reciba como miembro de nuestro Plan. Esto incluye: radiografías, pruebas de laboratorio, terapia, atención de médicos especialistas, ingresos hospitalarios y atención de seguimiento.

¿Qué pasa si utiliza proveedores fuera de la red para obtener servicios cubiertos?

Es importante saber qué proveedores están con nuestra red porque, con excepciones limitadas, mientras usted es miembro de nuestro plan, debe usar proveedores de la red para obtener su atención y servicios médicos. Las únicas excepciones son las emergencias (incluida la atención posterior a la estabilización), la atención que se necesita con urgencia cuando la red no está disponible (generalmente cuando está fuera del área), la diálisis renal (riñón) y cualquier servicio que se ordenó cubrir a través de un proceso de apelación.

Los "proveedores de la red" enumerados en este directorio han acordado proporcionarle su atención médica y cobertura de la vista. Puede ir a cualquiera de nuestros proveedores de red enumerados en este directorio; sin embargo, algunos servicios pueden requerir una referencia y autorización previa de Brand New Day.

Si ha estado yendo a un proveedor de la red, no está obligado a continuar yendo a ese mismo proveedor. Otros médicos/proveedores están disponibles en nuestra red. En algunos casos, puede obtener servicios cubiertos de proveedores que no pertenecen a la red.

Los "proveedores de la red" enumerados en este directorio han acordado proporcionarle su atención médica, visión y servicios dentales. Puede ir a cualquiera de nuestros proveedores de red enumerados en este directorio; sin embargo, algunos servicios requieren una referencia y autorización previa de Brand New Day.

Si ha estado yendo a un proveedor de la red, no está obligado a continuar yendo a ese mismo proveedor. Otros médicos/proveedores están disponibles en nuestra red. En algunos casos, puede obtener servicios cubiertos de proveedores que no pertenecen a la red.

Grupos médicos y asociaciones de práctica independiente

La red de Brand New Day incluye proveedores asociados con asociaciones de práctica independiente (IPA) y grupos médicos. Una IPA es un grupo de médicos bajo contrato para proporcionar servicios a los miembros. Si selecciona a un médico que pertenece a un IPA o grupo médico como su PCP, es posible que se le solicite que solo use médicos que pertenezcan a ese IPA o grupo médico para recibir atención. Además, es posible que deba obtener una autorización previa para la atención de la IPA o el grupo médico en lugar de Brand New Day.

¿Qué pasa si recibe una factura de un proveedor fuera de la red?

Si un proveedor fuera de la red le envía una factura por servicios cubiertos que usted cree que deberían ser pagados por nuestro plan, NO pague la factura. Comuníquese con Servicios para Miembros al 1-866-255-4795. Los usuarios de TTY llaman al 711. Le pediremos que nos envíe la factura para que podamos procesar y determinar la cantidad que debe, si corresponde. Si ya ha pagado por cualquier atención médica que cubrimos, le reembolsaremos nuestra parte del costo.

Envíe facturas por correo de medicamentos recetados a:
Brand New Day c/o Express Scripts

Long Beach, CA 90809-6547

¿Cómo obtener servicios cubiertos cuando tiene una emergencia?

Cuando tiene una "emergencia médica", cree que su salud está en grave peligro. Una emergencia médica puede incluir dolor intenso, una lesión grave, una enfermedad repentina o una afección médica que empeora rápidamente.

Si tiene una emergencia médica:

- Obtenga ayuda lo más rápido posible. Llame al 911 para obtener ayuda o vaya a la sala de emergencias u hospital más cercano . Llame a una ambulancia si la necesita. No necesita obtener la aprobación o una referencia primero de su PCP.
- Tan pronto como sea posible, asegúrese de que nuestro plan haya sido informado sobre su emergencia. Necesitamos hacer un seguimiento de su atención de emergencia. Usted u otra persona debe llamarnos para informarnos sobre su atención de emergencia, generalmente dentro de las 48 horas. Consulte la información proporcionada en el reverso de su tarjeta de membresía para obtener instrucciones específicas y los números de teléfono apropiados para llamar.
- Después de que termine la emergencia, usted tiene derecho a recibir atención de seguimiento para asegurarse de que su condición continúe siendo estable. Su atención de seguimiento estará cubierta por nuestro plan. Si su atención de emergencia es proporcionada por proveedores fuera de la red, trataremos de hacer arreglos para que los proveedores de la red se hagan cargo de su atención tan pronto como su condición médica y las circunstancias lo permitan.

¿Cómo obtener la atención que se necesita con urgencia?

La "atención que se necesita con urgencia" es una situación que no es de emergencia cuando:

- Necesita atención médica de inmediato debido a una enfermedad, lesión o afección que no esperaba o anticipaba, pero su salud no está en grave peligro.
- Debido a la situación, no es razonable que obtenga atención médica de un proveedor de la red.

Siempre que sea posible, debe utilizar nuestros proveedores de la red cuando se encuentre en el área de servicio del plan y tenga una necesidad urgente de atención. En la mayoría de las situaciones, si se encuentra en el área de servicio del plan, cubriremos la atención que se necesita con urgencia solo si recibe esta atención de un proveedor de la red. Si las circunstancias son inusuales o extraordinarias, y los proveedores de la red no están disponibles temporalmente o son inaccesibles, nuestro plan cubrirá laatención que necesita con urgencia que recibe de un proveedor fuera de la red.

Debe usar proveedores de la red, excepto en situaciones de emergencia o atención de urgencia o para diálisis renal fuera del área u otros servicios. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Brand New Day serán responsables de los costos.
